Unlike so many large universities Wheaton College represents a unique community. Because of its small size Wheaton possesses a personal atmosphere where one is allowed to express a total sense of individuality. One is given the opportunity to be self-expressive, both in and out of the classroom and is encouraged to develop special talents through one's academics and extra-curricular activities.

With an extensive, personal, highly qualified faculty and administration one receives valuable advice and direction . . The omni-present assistance is a comforting feeling. Fostering responsibility, the faculty guides us yet leaves us to find answers within ourselves . . Our independence gradually emerges.

When one leaves Wheaton, one leaves with the sense that Wheaton will continue to be, will continue to welcome our return, and will continue to support our future endeavors. Graduation in 1984 marks the end of our college years, but the association with Wheaton is, and always will be, a permanent and important aspect of our lives.

DEDICATION

You are always
my friend
When I am happy
or when I am sad
When I am alone
or when I am with people
You are always my friend
If I see you today
or if I see you
a year from now
If I talk to you today
or if I talk to you
a year fron now
You are always my friend . . .
and though through the years
We will change
It doesn't matter what I do
or it doesn't matter what you do
Through our lifetime
You are always my friend.

DEDICATION

This book is dedicated to friend—

What ever experiences we have had at Wheaton, there is one thing we all have in common. We are all leaving with friends.

Friends who have enriched our lives at Wheaton—

Friends we have grown with, laughed and cried with. We survived the good and the bad, not alone but with our peers.

Friends who were always there and always in support of our academics, athletics, and activities.

We remember Wheaton and are thankful to all of our friends who made our four years so very special.

CHERISHED MEMORIES WE ALL WILL LEAVE WITH— TIMES SPENT WITH FRIENDS

Introduction

The 1984 Nike represents the slogan of the Senior Class: "More in Eighty-Four". The staff was very successful this year in creating a book that expresses the value of friendships between students and between faculty and students. The hard work and energy that went into this book can be seen on every page. A big "thank you" goes to all those who helped to make it such a success.
